Dear Mr. Austin:

On behalf of the officers and members of the First Presbyterian Church, I express our most sincere appreciation for allowing us to hold our worship service in the old church on the grounds of the village, June 21, 1992. This is the fifth year we have done this, and we have enjoyed it very much. Your generosity in allowing us to enter and tour the village at no cost is greatly appreciated.

Please convey our thanks to all those others who work on behalf of the village for their help and their courtesies extended to us. It is a highlight of our year to be able to spend some time with the history of this beautiful area in such a magnificent place as the Erie Canal Village.

Thank you once again for your generosity. Enclosed please find a contribution to the Village from our congregation.

Sincerely,

Chester P. Lippy, Pastor
